

# INSTANT ROOM

TILTON FENWICK

Anne Foster and Suysel Cunningham take the "office" out of home office. In a room this inviting, work feels like play.

## PAINT

"This medium-tone orange is a warm color that's inviting and invigorating—important for an office."

Tangelo 2017-90,  
benjaminmoore.com.

## RUG

"It gives off a casual vibe and adds a fabulous texture."

Barclay Butera Abaca in  
Driftwood, \$38 per square  
foot. meridameridian.com.

## WALL PANEL

"Paneling with inset wallpaper is an ode to traditional, but we went for a fun, graphic design. Being too serious with decorating is something we try to avoid!"

Valencia, a paper in  
Tangerine.

## TAPE

"A decorative three-dimensional tape trim adds softness and texture to a tailored element, like the Roman shade or chair skirt."

Chambord Braid,  
a viscose in Coral/Aqua.  
samuelandsons.com.

## CHAIR

"The Parsons chair is a classic. Its clean lines fit in almost anywhere. Here, the fully upholstered chair brings a feminine touch to the more masculine desk."

Upholstered Parsons  
Chair, \$184.  
ballarddesigns.com.

## FABRIC

"This paisley is one of our favorites. It embodies everything we love in a fabric: tradition turned on its head, with a bold and unexpected colorway."

Bénarès, a cotton in  
Safran. pierrefrey.com.

## STOOL

"A ceramic garden stool makes a great side table, and it adds a nice decorative accent to the room."

Diamond-Pattern Stool,  
\$289. westelm.com.

## SCONCE

"A pair of swing-arm sconces introduces a beautiful shape into the space. Use Edison or silver bowl bulbs for a soft glow—we hate glare on our computer screens."

Industrial Sconce, \$79.
